5 Install The Graphic

Unzip your graphic (7) completely. Position the frame such that the blank back side of the graphic (7) is underneath. Ensure that the graphic is Right side up and pull it into place.
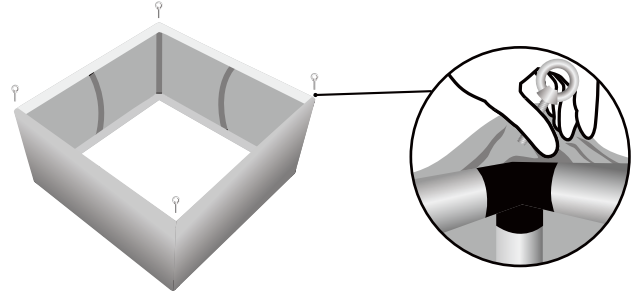

NOTE: WHEN POSITIONING FABRIC AROUND THE FRAME, CAREFULLY LIFT AND REPOSITION.
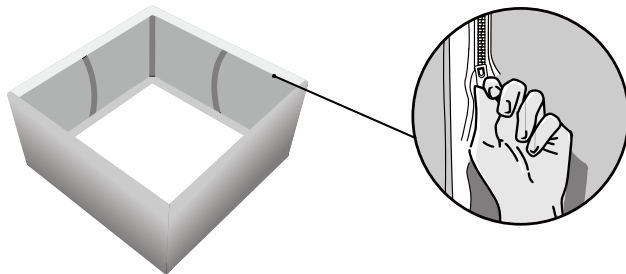

DRAGGING FABRIC CAN CAUSE SNAGS.

---

6 Install The Graphic

Secure the top of the graphic to the top of the frame by unscrewing and then feeding the eyebolt (6) through the reinforced hole in the graphic and back into the assembled frame. This will connect the top tubes (2) to each corner straight vertical tube (4). Please ensure that the eye bolts (4) are tight.

---

7 Install The Graphic

Step inside the frame, with the outside of the graphic now connected to the frame, pull the zipper to finish the graphic attachment.

NOTES:

Hanging Cables NOT INCLUDED.
Most Convention Centers will require you to use their hanging hardware.
